

Stanford

David Krucik, MS, DVM

Postdoctoral Scholar, Comparative Medicine

Bio

BIO

I started working in wildlife conservation and veterinary science over 10 years ago as a volunteer working in marine mammal rehabilitation. My current work focuses on marine mammal research, conservation, and applications within the one health and conservation medicine framework.

BOARDS, ADVISORY COMMITTEES, PROFESSIONAL ORGANIZATIONS

- Member, Conservation Committee, IAAAM (2020 - present)
- Student Member, IAAAM (2013 - present)

PROFESSIONAL EDUCATION

- Bachelor of Science, University of California Santa Cruz (2015)
- Master of Science, Tufts University (2017)
- Doctor of Veterinary Medicine, Tufts University (2020)

STANFORD ADVISORS

- Paul Buckmaster, Postdoctoral Faculty Sponsor

Research & Scholarship

LAB AFFILIATIONS

- Paul Buckmaster, Buckmaster (9/1/2021)
