

## Tainayah Whitney Thomas

Assistant Professor of Epidemiology and Population Health (Epidemiology)

### Bio

---

#### BIO

Tainayah Thomas, PhD, MPH is an Assistant Professor in the Department of Epidemiology and Population Health. Her research focuses on primary care improvement and diabetes prevention and management among racially and ethnically diverse populations. Dr. Thomas's research seeks to leverage delivery science research methodology to promote the integration of evidence-based research into clinical practice. Dr. Thomas is dedicated to transforming research into action by engaging community, health system, and policy stakeholders in adapting, implementing, and sustaining interventions that address health disparities and promote health equity.

#### ACADEMIC APPOINTMENTS

- Assistant Professor, Epidemiology and Population Health

#### PROFESSIONAL EDUCATION

- PhD, University of North Carolina at Chapel Hill , Health Behavior (2019)
- MPH, University of California, Los Angeles , Community Health Sciences (2010)
- BA, University of Miami , Sociology and International Studies (2008)

### Teaching

---

#### COURSES

##### 2023-24

- The Science of Community Engagement in Health Research: CHPR 227, EPI 272 (Win)

##### 2022-23

- The Science of Community Engagement in Health Research: CHPR 227, EPI 272 (Win)

#### STANFORD ADVISEES

##### Doctoral Dissertation Advisor (AC)

Shelby Crespi

##### Doctoral (Program)

Shelby Crespi
