Bio

BIO

Julia Weinman, MS, MA is a doctoral research affiliate within the Department of Psychiatry and Psychology at the Stanford School of Medicine in the Neuropsychology, Mood and Anxiety Disorder, and Women's Mental Health Lab. She is a doctoral candidate, pursuing her PhD in clinical psychology at Palo Alto University. Her research focuses on interpersonal trauma, empowerment, and post-traumatic growth. Currently, she is working with Dr. Jennifer Keller on the Building Empowerment and Resilience (BEAR) program for adult women with histories of interpersonal trauma.
