### Bio

---

#### BIO

Adelaide Stegmaier (Addie) is a Contract Officer on the Data Access and Transfer Agreements (DATA) Team in the Industrial Contracts Office at Stanford. She specializes in negotiating data use agreements with all sponsor types to enable research at the University. Prior to joining the Office of Technology Licensing at Stanford Addie worked in the University of California San Francisco's Office of Sponsored Research where she drafted, reviewed, negotiated, and accepted contracts, grants, cooperative agreements, data use agreements, collaborative research agreements, master agreements, subcontracts, and subawards with federal, non-profit, industry, and foreign sponsors.

#### CURRENT ROLE AT STANFORD
