# Christine Raval

Research Program Manager, Institute for Human-Centered Artificial Intelligence (HAI)

## Bio

### BIO

Christine is a member of the research team at the Stanford Institute for Human-Centered AI (HAI). She manages the HAI grant programs, student affinity initiative, and the operations of AI100, a 100-year effort to study and anticipate how the effects of AI will ripple through every aspect of how people work, live and play. Prior to joining Stanford, Christine worked on the digital learning team at the University of Nebraska at Omaha and as a case manager for newly arrived refugees in Omaha. Christine graduated with a Master of Public Administration from the University of Nebraska at Omaha and a BA in Justice and Society from Creighton University.
