

Chris Andrew Lopez

Undergraduate, Vice Provost for Undergraduate Education

Bio

BIO

Major: Psychology w/ Concentration in Neuroscience

Age: 18

Ethnicity: Latino (Mexican)

Height: 5'2

I am a Sophomore that enjoys mathematics and neuroscience. I have high hopes to pursue a career with neuroscience and hopefully start a small practice. I come from Watsonville California to which is predominantly Latino. I actively volunteer with the community hospital to distribute food, and shelter supplies to the underserved. I have led meetings and talks within the Airforce Auxiliary Branch known as Civil Air Patrol. I have also participated in research in my high school years through the COSMOS Program in UCSC.
