## Joe Glick

MBA, expected graduation 2024

### Bio

---

#### BIO

Joe Glick is a British entrepreneur pursuing an MBA at Stanford.

While studying literature and history at Trinity College Dublin, Glick began building a mobile app, Raffler, which he grew to more than 250,000 users. Following Raffler, Glick spent two years running innovation at Unidays, the world's largest student discount and online verification business.

Alongside these roles, Glick made the first investment into Mob Kitchen, working closely with the leadership team to grow it into the largest food media brand in the UK.

#### EDUCATION AND CERTIFICATIONS

- BA with Honours, Trinity College Dublin , English Literature and History
