Blaz Bush

Executive Director -LGBTQ+ Health Program, LGBTQ+

Bio

BIO

With over a decade of LGBTQ+ affirming healthcare experience from care coordination and program development to education and training, Bláz Bush joined Stanford Medicine as the inaugural Executive Director of the LGBTQ+ Health Program in 2022. Bláz expertly leads strategic growth for the program across the Stanford Medicine Enterprise, represents the program and initiatives to internal and external stakeholders, unifies the multidisciplinary efforts for LGBTQ+ health, develops equitable best practice curriculum and trainings, and facilitates restorative circles for students, faculty, and staff.
