

Stanford

Tiange Xiang

- Ph.D. Student in Computer Science, admitted Autumn 2022
- Masters Student in Computer Science, admitted Spring 2024

Bio

BIO

Tiange Xiang is a Ph.D. student in Computer Science at Stanford University, where he is a member of the Stanford AI Lab (SAIL) and Stanford Vision and Learning Lab (SVL). His research interests include machine learning and computer vision in general. He received a bachelor's degree in Computer Science and Technology (Advanced)(Honors) from the University of Sydney, where he was awarded Honors Class I and the University Medal.
