Bio

BIO

Oluwakemisola "Kemi" (pronouns: she/her) received her B.A. in German from the University of Ibadan in 2011. She completed her M.A. in German at The University of Alabama in 2022 and is now a doctoral candidate in German studies at Stanford.

Her dissertation, “Representations of Inter- and Intra-Migrant Interactions in Contemporary German Literature,” examines how German-language texts represent complex relationships among migrant communities, moving beyond simplistic binaries of “host” and “immigrant” identity.
