

Stanford

Eeshan Chaturvedi

Ph.D. Student in Environment and Resources, admitted Autumn 2022

Bio

BIO

Eeshan is currently pursuing his Ph.D. in Climate Governance, and its correlations with policy, law, and earth systems. He holds an LLM in Environmental Law and Policy from Stanford Law School and has since worked with various domestic and international organizations on legal and management issues related to the environment and climate. In academia, he has held positions of Assistant Dean and Professor of Climate Governance and continues to engage with the various stakeholders in the climate space.

He enjoys discussions on neuroscience, astrophysics, and geo-politics in his free time.
