

## Trond Arne Undheim

Research Scholar

Center for International Security and Cooperation

---

### Bio

#### BIO

Trond is a futurist, scholar, podcaster, venture partner, nonresident Fellow at the Atlantic Council, co-founder of Yegii, and Lead Ecosystem evangelist at Tulip. He formerly worked with MIT, WPP, Oracle, and the EU. He's a co-author (with Natan Linder) of *Augmented Lean* (Wiley 2022), an author of *Health Tech* (Routledge 2021), *Future Tech* (Kogan Page 2021), *Pandemic Aftermath* (Atmosphere Press 2020), *Disruption Games* (Atmosphere Press 2020), and *Leadership From Below* (Lulu Press 2008). In addition, he hosts two podcasts, *Augmented* and *Futurized*, and is a *Forbes* columnist. He holds a Ph.D. on the future of work and artificial intelligence.
