

Stanford

Jorge Osio Norgaard

Postdoctoral Scholar, Chemical Engineering

 Curriculum Vitae available Online

Bio

BIO

Dr. Osio-Norgaard was born in Caracas, Venezuela and immigrated to the United States in 2004. He has an undergraduate degree from the University of Florida in civil engineering (2016), and earned his Masters in civil engineering (2019) and PhD in mechanical engineering (2022) at the University of Colorado, Boulder. He is broadly interested in materials characterization, the development of novel cementitious binders, and in-situ resource utilization for the development of off-planet materials.

HONORS AND AWARDS

- Engineering Fellow "eFellow", ASEE (2022)
- GAANN Fellowship, Department of Education (2016)
- NSF Graduate Research Fellowship, NSF (2016)

STANFORD ADVISORS

- Matteo Cargnello, Postdoctoral Faculty Sponsor
