

Victoria "Vicki" Spencer

Adm Assoc 4, Pediatrics - Peds/Critical Care

Bio

BIO

A graduate of Purdue University, Vicki brings over 20 years of executive administrative support experience to her position at Stanford Medicine.

Prior to taking this role, Vicki supported the Chief Medical Officer and Chief Dental Officer for a group of Federally Qualified Health Centers (FQHC). She has also provided executive support to individuals in the field(s) of healthcare, food equity, and pre-clinical drug development.

Her passions are health equity and whole-system integrated care.
