Paul Richard Herz

Deputy Director, HAI, Institute for Human-Centered Artificial Intelligence (HAI)

Bio

CURRENT ROLE AT STANFORD

Deputy Director, Institute for Human-Centered AI

Responsible for coordinating HAI's research, education, policy, partnerships, and administrative programs and activities, and will play a key role in helping to set strategy and ensure execution to achieve HAI's mission. Excited about the opportunity to help lead HAI forward to improve society and people's lives through the advancement and implementation of AI.
