

Anjali Nambiar

Social Science Research Professional 1, Stanford-Surgery Policy Improvement Research and Education Center

Bio

BIO

Anjali Nambiar, B.S., is a Social Science Research Professional at the Surgery Policy Improvement Research and Education (S-SPIRE) Center. Anjali completed her degree in Biological Sciences at UC Irvine where she was involved in a variety of clinical research projects, including those focused on palliative care access, ultrasound diagnostics, food insecurity, and medical technology. She has also worked with several public health nonprofits to implement new programs at community-based clinics and organizations. At S-SPIRE, she supports ongoing clinical trials by assisting with patient enrollment and facilitating data safety management boards.
