

## Shannon Sylvie Abelson

Postdoctoral Scholar, Philosophy

 Curriculum Vitae available Online

### Bio

---

#### BIO

I work in philosophy of astronomy and astrophysics, environmental ethics, and space environmentalism. My research focuses on best practices and practical solutions to pressing ethical and policy issues in space exploration, including space debris mitigation, equitable access to Space, and the orbital and terrestrial environmental impacts of the space industry.

I am an associate member of NANOGrav and a member of the ngEHT HPC group.

#### PROFESSIONAL EDUCATION

- Doctor of Philosophy, Indiana University (2023)
- Bachelor of Arts, Stetson University (2013)
- PhD, Indiana University Bloomington , Philosophy (2023)

#### STANFORD ADVISORS

- Leif Wenar, Postdoctoral Faculty Sponsor
