

Karl David Broman

Visiting Professor, Computer Science

Bio

BIO

David Broman is currently a Visiting Professor at the Computer Science Department at Stanford University. He is a Professor at the Department of Computer Science, KTH Royal Institute of Technology in Stockholm, Sweden. His research focuses on the intersection of (i) programming languages and compilers, (ii) real-time and cyber-physical systems, and (iii) probabilistic machine learning.

For further information, please see the web link at the top of the page (next to my name).
