

Stanford

Niki DeGeorge

Division Manager, Radiation Oncology

Bio

BIO

Before joining Stanford, Niki worked at the University of California, Davis for ten years with her most recent position as Administrative Director for Programs, Planning, and Evaluation at the Cancer Center where she oversaw research administration and assessment for NCI designation while managing multiple administrative units. She previously held positions in the Department of Pathology and Laboratory Medicine and the School of Veterinary Medicine. She recently received her Master of Business Administration degree with concentrations in strategy and healthcare from UC Davis. Her MBA accompanies her bachelor's degree in animal science.

CURRENT ROLE AT STANFORD

Niki is the Division Manager for Medical Physics in the Department of Radiation Oncology.
