

Stanford

David Madey

- Masters Student in Engineering, admitted Autumn 2023
- d.school Tours and Wayfinding Assistants, d.school

Bio

BIO

David Madey is a current Masters Student in the School of Engineering's interdisciplinary design program at Stanford University. He holds a B.S. in Mechanical Engineering from the University of California, Davis. He previously worked as a mechanical design engineer at Silicon Valley Mechanical and as an R&D biomedical engineer at Applied Medical. His graduate work focuses on emerging AI technologies and digital user experiences, emphasizing accessibility as a foundational pillar in technology and business.
