Stanford

Drew Spence

Policy Program Manager, Institute for Human-Centered Artificial Intelligence (HAI)

Bio

BIO

Drew Spence serves as Policy Program Manager for the Stanford Institute for Human-Centered Artificial Intelligence (HAI) where he leads policy education programs, student fellowships, and outreach to policymakers in Washington and beyond. Prior to joining the team at HAI, Drew held multiple roles in government, most recently on former Vice President Kamala Harris' legislative affairs team. He also served in the U.S. Department of the Treasury, in the U.S. Senate, and in the California Attorney General's office. He is a graduate of George Washington University.
