Bio

BIO

I started my career at Stanford as the Map Librarian at Branner Earth Sciences Library and became the head librarian at Branner in 2004. I was named the Associate University Librarian for the Science and Engineering Resource Group in January 2020. In June 2022, I was named the Associate University Librarian for Collections and Public Services overseeing the collections librarians and the branch libraries - Art, Combined Sciences, Earth Sciences, East Asia, Education, Engineering, Marine Biology, and Music.

CURRENT ROLE AT STANFORD

I am the Senior Associate University Librarian for Collections and Public Services.
