

Stanford

Ziping Ye

Postdoctoral Scholar, Health Policy

Bio

BIO

Ziping Ye is a postdoctoral researcher at the Prevention Policy Modeling Lab in the Department of Health Policy at Stanford. Her research focuses on the development of decision making models for disease prevention programs.

Previously, Dr Ye served as an assistant professor at the School of Public Administration at Hainan University, where she conducted research on cost-effectiveness thresholds, health outcomes studies, and health burden surveys. Dr Ye received her Ph.D. in Pharmacy Administration from Shenyang Pharmaceutical University with a specialization in Pharmacoeconomics. She is also a self-taught R programmer.
