Admin Services Administrator, SLAC National Accelerator Laboratory

Bio

CURRENT ROLE AT STANFORD

Connecting researchers with the right tools to tackle complex problems using synchrotron light and the manager of the User Research Administration Group at the Stanford Synchrotron Light Source (SSRL) located at SLAC National Accelerator Laboratory.

Together with my team, we are

- Developing, implementing and coordinating user access at SSRL
- Managing stakeholder communications and reporting about the user program
- Designing and executing user communication and user outreach activities
