### **Professional Overview**

---

#### **BIO**

Dr. Boutrid specializes in Medical Oncology and Hematology and is board certified in Oncology and Internal Medicine. She completed her fellowship in Hematology and Medical Oncology at The Ohio State University Wexner Medical Center in Columbus, Ohio. During her training, Dr. Boutrid conducted clinical research focusing on breast cancer. She manages malignancies of solid organs and of the blood and bone marrow. Dr. Boutrid also manages benign blood disorders such as anemia, bleeding disorders and blood clots. She finds it a great privilege to be a physician and strives to provide compassionate, patient centered and science driven care. Dr. Boutrid provides care at the Stanford Medicine Cancer Center in South Bay.

Originally from Minnesota, Dr. Boutrid now lives in sunny California with her husband and two bonus sons. She enjoys family adventures, traveling, scuba diving, hiking, and being outdoors.
