

# Stanford

---

## Amy E. Hodge

Science Data Librarian, Science and Engineering Resource Group

### Bio

---

#### CURRENT ROLE AT STANFORD

I consult with all members of the Stanford scientific research community on issues surrounding data management, including understanding and creating data management plans, organizing and backing up your research data, acquiring and analyzing data, assigning metadata to enable future discovery, and preserving your data for long-term access in the Stanford Digital Repository. Visit the Data Management Services web site to find out more.

#### EDUCATION AND CERTIFICATIONS

- PhD, Yale University , Molecular Biophysics and Biochemistry
- MPhil, Yale University , Molecular Biophysics and Biochemistry
- BS, Centre College of Kentucky , Biochemistry and Molecular Biology
- Certified Instructor, Software Carpentry (2015)
