### Bio

---

#### BIO

Dr. Dung H Nguyen is currently the Director of Breast Reconstruction at the Stanford Women's Cancer Center and the Director of Adult Plastics Clinic at Stanford Healthcare. She graduated with a Bachelor of Science in Biochemistry and highest academic honor and distinction from U.C. Davis. She earned a Pharm.D degree from U.C.S.F. School of Pharmacy and a MD degree from U.C.S.D. She then did a residency in general surgery and a residency in Plastic and Reconstructive Surgery at the University of Southern California (USC) Medical Center. She further completed a fellowship in microsurgery from Chang Gung Memorial Hospital in Taiwan, one of the largest reconstructive surgery centers in the world. She was recruited to Stanford from Cedar Sinai Medical Center in 2012, and is currently a Clinical Professor in the Division of Plastic and Reconstructive Surgery at Stanford University.

Dr. Nguyen specializes in aesthetic and reconstructive breast surgery, surgical treatment of lymphedema including vascularized lymph node transfer and lymphaticovenous anastomosis, and complex tissue reconstruction utilizing microsurgery and supermicrosurgery. She also has interest in cosmetic surgery, including facial rejuvenation and body contouring procedures.

In addition to her clinical commitment, Dr. Nguyen has basic science and clinical research interests in lymphedema and breast reconstruction. She has published articles in peer review journals, presented at national and international professional meetings and has authored book chapters in various plastic surgery textbooks. She also enjoys volunteering on overseas medical missions and participating in medical charity activities.

#### CLINICAL FOCUS

- Cancer > Breast Cancer
- Lymphedema
- Skin Cancer
- Facial and Body Rejuvenation
- Transgender Surgery
- Plastic Surgery

## ACADEMIC APPOINTMENTS

- Clinical Professor, Surgery - Plastic & Reconstructive Surgery

## ADMINISTRATIVE APPOINTMENTS

- Director of Breast Reconstruction, Stanford Women's Cancer Center, (2012- present)
- Director of Adult Plastics Clinic, Stanford Healthcare, (2016- present)

## HONORS AND AWARDS

- Division of Plastic & Reconstructive Surgery Teacher of the Year Award, Stanford University (2017)
- Innovation Grant for Breast Reconstruction, Stanford Women's Cancer Center (2016)

## PROFESSIONAL EDUCATION

- Board Certification: Plastic Surgery, American Board of Plastic Surgery (2012)
- Medical Education: University of California San Diego School of Medicine (2004) CA
- Residency: Univ of Southern CA/LACplusUSC Medical Center (2010) CA
- Residency: Univ of Southern CA/LACplusUSC Medical Center (2007) CA
- Board Certification, Board of Pharmacy , CA (2003)
- Fellowship, Chang Gung Memorial Hospital, Taiwan , Microsurgery (2011)
- Residency, USC , Plastic & Reconstructive Surgery (2010)
- Residency, USC , General Surgery (2007)
- M.D., UCSD School of Medicine , CA (2004)
- Pharm.D., UCSF School of Pharmacy , CA (2000)

## Research & Scholarship

---

### CLINICAL TRIALS

- LymphBridge: Surgical Evaluation for Breast Cancer-Associated Lymphedema (BioBridge), Recruiting
- A Study of the Safety and Effectiveness of the Mentor Larger Size MemoryGel Ultra High Profile Breast Implants in Subjects Who Are Undergoing Primary Breast Reconstruction or Revision Reconstruction, Not Recruiting
- Blossom Smart Expander Technology in Breast Reconstruction in Participants With Breast Cancer Undergoing Mastectomy, Not Recruiting
- Microsurgical Breast Reconstruction & VTE, Not Recruiting
- Prospective Evaluation of a Surgical Solution for Breast Cancer-Associated Lymphedema, Not Recruiting
- SPY Intra-Operative Angiography & Skin Perfusion in Immediate Breast Reconstruction w/ Implants, Not Recruiting
- Study to Evaluate the Safety and Efficacy of CHAM\* for the Treatment of Diabetic Foot Ulcers, Not Recruiting
- Transversus Abdominis Plane Block in Microsurgical Breast Recon w/Abdominal Free Flap in Breast CA, Not Recruiting
- Vitamin D3 With Chemotherapy and Bevacizumab in Treating Patients With Advanced or Metastatic Colorectal Cancer, Not Recruiting
