

Jaime Lopez, MD

Professor of Neurology and, by courtesy, of Neurosurgery at the Stanford University Medical Center

Neurology & Neurological Sciences

CLINICAL OFFICES

- **Stanford Neuroscience Health Center**

213 Quarry Rd 4th Fl

MC 5957

Palo Alto, CA 94304

Tel (650) 723-6469

Fax (650) 725-0390

Bio

CLINICAL FOCUS

- Neurology
- Intraoperative Neurophysiologic Monitoring
- Botulinum Toxin Treatment
- Electromyography

ACADEMIC APPOINTMENTS

- Professor - Med Center Line, Neurology & Neurological Sciences
- Professor - Med Center Line (By courtesy), Neurosurgery
- Member, Bio-X
- Member, Wu Tsai Neurosciences Institute

PROFESSIONAL EDUCATION

- Fellowship: Stanford University Clinical Neurophysiology Fellowship (1992) CA
- Residency: Stanford University Neurology Residency (1991) CA
- Internship: Stanford University Internal Medicine Residency (1988) CA
- Medical Education: University of Washington School of Medicine (1987) WA
- Board Certification: Neurology, American Board of Psychiatry and Neurology (1995)
- MD, University of Washington, Medicine (1987)

Research & Scholarship

CURRENT RESEARCH AND SCHOLARLY INTERESTS

My clinical interests are in the areas of Intraoperative Neurophysiologic Monitoring (IOM), clinical neurophysiology, electromyography and in the use of botulinum toxins in the treatment of neurologic disorders. Our IOM group's research is in the development of new and innovative techniques for monitoring the nervous system during surgical and endovascular procedures and how these alter surgical management and patient outcomes. I am also active in formulating national IOM practice guidelines.
