

Rob Jordan

Associate Editor, Environment and Sustainability, Woods Institute

Bio

BIO

Rob works to raise the visibility of environment and sustainability research at Stanford. He develops content for web properties, research briefs, press releases, videos, and multimedia presentations. Prior to coming to Stanford, Rob worked as a reporter at a number of newspapers and magazines, and as a communications specialist at the U.S. House of Representatives, among other roles.

CURRENT ROLE AT STANFORD

Associate Editor, Environment and Sustainability, Stanford Woods Institute for the Environment
