

Marlo Kohn

Senior Lecturer of Mechanical Engineering

Bio

ACADEMIC APPOINTMENTS

- Senior Lecturer, Mechanical Engineering

ADMINISTRATIVE APPOINTMENTS

- Director, making@stanford.edu, (2022- present)
- Associate Director, Product Realization Lab, (2013- present)

PROFESSIONAL EDUCATION

- MS, Stanford University , Mechanical Engineering (2007)
- BS, Stanford University , Engineering, Product Design (2005)

PATENTS

- Eric Fayez Chehab, Eric Johnson, Eric Anthony Kramer, Marlo Dreissigacker Kohn, James Kennedy Wall, Ross Daniel Venook, Shivani Alexandra Torres. "United States Patent D1042811S1 Catheter securing device", Novonate, Sep 17, 2024
- "United States Patent D907,768 Catheter Securing Device", Jan 12, 2021
- Marlo Kohn. "United States Patent 62/950,748 Catheter interface protection device manipulation tools", Dec 19, 2019
- Marlo Kohn. "United States Patent PCT/US2019/038595 Systems and Methods for securing catheters", Jun 21, 2019
- Marlo Kohn. "United States Patent 8,585,733 Devices, tools and methods for performing minimally invasive abdominal surgical procedures", Nov 19, 2013
- Marlo Kohn. "United States Patent 8,460,321 Devices, tools and methods for performing minimally invasive abdominal surgical procedures", Jun 11, 2013
- Marlo Kohn. "United States Patent 7,976,554 Devices, tools and methods for performing minimally invasive abdominal surgical procedures", Jul 12, 2011

Teaching

COURSES

2024-25

- Making Multiples: Injection Molding: ME 325 (Aut, Win, Spr)

2023-24

- Making Multiples: Injection Molding: ME 325 (Aut, Win, Spr)

2022-23

- Making Multiples: Injection Molding: ME 325 (Aut, Spr)

2021-22

- Foundations of Product Realization: ME 102 (Aut)
- Making Multiples: Injection Molding: ME 325 (Spr)
