

Stanford

Donald Schreiber

Associate Professor of Emergency Medicine at the Stanford University Medical Center, Emeritus

Bio

ACADEMIC APPOINTMENTS

- Emeritus Faculty - University Medical Line, Emergency Medicine
- Member, Cardiovascular Institute

ADMINISTRATIVE APPOINTMENTS

- Director Quality Improvement, Division of Emergency Medicine, Stanford University School of Medicine, (2006- present)

PROFESSIONAL EDUCATION

- B. Eng, McGill University , Electrical Engineering (1974)
- MD,CM, McGill University , Medicine (1978)

COMMUNITY AND INTERNATIONAL WORK

- URC Emergency Medicine, Battambang, Cambodia
- UHS Program in Emergency Medicine, Phnom Penh, Cambodia
- SidharTe, Kigali, Rwanda

Research & Scholarship

CURRENT RESEARCH AND SCHOLARLY INTERESTS

My research group focuses on the diagnosis and treatment of cardiovascular emergencies including acute myocardial infarction, acute coronary syndrome and congestive heart failure. We have evaluated a number of novel cardiac markers and point-of-care testing in clinical practice. Current projects also include the diagnosis and treatment of acute pulmonary embolism and deep venous thrombosis.

CLINICAL TRIALS

- Acute Venous Thrombosis: Thrombus Removal With Adjunctive Catheter-Directed Thrombolysis, Not Recruiting
