Andrea Hattendorf

Curatorial Assistant, Visual Resources Center, Art and Architecture Library

Bio

BIO

I am the Curatorial Assistant in the Visual Resources Center (VRC) which is located in the Bowes Art and Architecture Library. The VRC provides digital image support for teaching and research at Stanford University. We digitize images on request, provide image database instruction, and maintain a database with over 250,000 digital images that are available to the Stanford community (imagebase.stanford.edu).

CURRENT ROLE AT STANFORD

Curatorial Assistant, Visual Resources Center, Art and Architecture Library
