

## Michael Nack

Computing Support Analyst 2, Engineering Library

---

### Bio

#### BIO

I provide computer hardware and software support, manage the library maker space (Makerbar), and manage library operations at the Terman Engineering Library. My interests include tinkering, prototyping, audio-visual technologies, design, and technical instruction.

#### EDUCATION AND CERTIFICATIONS

- BA, University of California, Berkeley , Political Science
- MLIS, San Jose State University , Library and Information Science
