

Jamie S. Johnston

Research and Evaluation Director, Stanford Center for Health Education, Stanford Center for Health Education

Bio

BIO

Jamie Johnston is the Research and Evaluation Director for the Stanford Center for Health Education. Her work focuses on the use of technology to improve educational access and health education in under-resourced areas. Jamie completed a PhD in Economics of Education at the Stanford Graduate School of Education in 2017, where she was an Institute of Education Sciences (IES) doctoral fellow. She also completed a postdoctoral fellowship with Stanford School of Medicine. Additionally, Jamie holds a BS in Social Policy from Northwestern University, an MPP from the University of Chicago, and an MA in Economics from Stanford University.

INSTITUTE AFFILIATIONS

- Member, Maternal & Child Health Research Institute (MCHRI)
