

Stanford

Robyn Lockwood

Advanced Lecturer
Stanford Language Center

Bio

BIO

Robyn Brinks Lockwood teaches courses in English listening, speaking, and writing for international graduate students. She is also the education coordinator of the American Language and Culture undergraduate summer program. She is an active member of the international TESOL organization, serves as an ad hoc consultant for the Publishing Professional Council, and is a past chair of the Materials Writers Interest Section. She is a frequent presenter at TESOL regional and international conferences. Robyn has edited and written numerous textbooks, online courses, video programs, and teacher's ancillaries for reading, writing, listening, and speaking English courses and TOEFL preparation. Her publications include those of Macmillan Education, University of Michigan Press, Cambridge University Press, Pearson, and McGraw-Hill.
