Professional Overview

BIO

Dr. Conti is board certified in obstetrics and gynecology, fellowship trained in family planning, and serves as an affiliated clinical assistant professor at Stanford University School of Medicine. An internationally recognized medical journalist, she consults regularly with the media on reproductive health topics. She holds a masters in both journalism from Columbia and in epidemiology and clinical research from Stanford.

She co-hosts The V Word, a women's health podcast, and enjoys writing, baking, spinning, and traveling with her husband and two children.

She also speaks Spanish.
