Bio

BIO

Dr. Huynh is an interventional spine physiatrist at the Stanford University Spine Center, where she specializes in the comprehensive conservative management of spine disorders. She received her medical degree from Albert Einstein College of Medicine. She then completed her residency training in Physical Medicine and Rehabilitation at the University of Pittsburgh Medical Center, followed by an Interventional Spine Fellowship at Stanford University.

CLINICAL FOCUS

- Physical Medicine and Rehabilitation
- Spine Care
- Spine Injections
- Ultrasound Guided Injections
- Physical Medicine and Rehab

ACADEMIC APPOINTMENTS

- Clinical Assistant Professor, Orthopaedic Surgery

HONORS AND AWARDS

- Chief Resident, University of Pittsburgh Medical Center (2013-2014)
- Best Fellow Abstract, Spine Intervention Society (2014)
- Excellence in Pain Medicine, University of Pittsburgh Medical Center (2014)
- President's Citation Award, American Association of Physical Medicine and Rehabilitation (2014)
- Jose Montero Teaching Award, Stanford Physical Medicine and Rehabilitation Department (2018)

PROFESSIONAL EDUCATION

- Fellowship: Stanford University Physical Medicine and Rehabilitation (2015) CA
- Residency: UPMC Physical Medicine and Rehabilitation Residency (2014) PA

- Internship: Flushing Hospital Medical Center Transitional Residency (2011) NY
- Medical Education: Albert Einstein College of Medicine Office of the Registrar (2010) NY
- Board Certification: Physical Medicine and Rehab, American Board of Physical Medicine and Rehab (2015)
- Board Certification, Physical Medicine and Rehab, American Board of Physical Medicine and Rehab (2015)
- Fellowship, Stanford University , Interventional Spine (2015)
