Bio

BIO

Silvina Pugliese, M.D., is a Clinical Assistant Professor of Dermatology and Attending Physician at the Stanford Medicine Outpatient Center and Stanford Cancer Institute. She attended medical school at Boston University and completed her residency at Loma Linda, serving as Chief Resident in her final year. Dr. Pugliese practices Supportive Dermato-Oncology (SDO) at the Stanford main campus and also launched the South Bay Cancer Center's SDO Clinic in 2015. She is interested in the management of cutaneous complications associated with chemotherapy, radiation therapy, organ transplantation, and their impact on patient quality of life.
