

Hyoung Sung Kim

COLLEGE Lecturer

Stanford Introductory Studies - Civic, Liberal, and Global Education

Bio

BIO

I am interested in the history of philosophy, in particular Kant and post-Kantian German idealism. I am specifically interested in how Kant and his successors saw the relation between questions in epistemology (knowledge), logic (rules for thinking), and metaphysics (what there is).

ACADEMIC APPOINTMENTS

- Lecturer, Stanford Introductory Studies - Civic, Liberal, and Global Education

PROFESSIONAL EDUCATION

- PhD, Stanford University, Department of Philosophy (2023)
