Ronie Shilo

Managing Director, Programs Strategy and Development, Stanford Center for Professional Development

Bio

BIO

Ronie is the Managing Director, Programs Strategy and Development at the Stanford Center for Professional Development (SCPD), where she manages a portfolio of credit-bearing and professional offerings extended to working professionals. Ronie has overseen numerous programs offered to private, public and government clients around the world, on a variety of topics ranging from innovation and entrepreneurship to AI and autonomous vehicles. Many of the courses and programs are available through Stanford Online, Stanford's online learning provider, which is operated and managed by SCPD.

Ronie holds an MA in organizational psychology and is a certified group facilitator.

CURRENT ROLE AT STANFORD

Managing Director, Programs Strategy and Development, Stanford Center for Professional Development
