## Hua Shan

Professor of Pathology

### **CLINICAL OFFICE (PRIMARY)**

300 Pasteur Dr H1402  
MC 5626  
Stanford, CA 94305  
**Tel** (650) 736-4250      **Fax** (650) 723-9178

### **Bio**

---

#### **BIO**

Dr. Shan specializes in providing blood transfusion and apheresis treatment to patients with diverse medical problems. She has been practicing transfusion medicine for over twenty five years. Dr. Shan currently serves as the Medical Director of Transfusion Service at Stanford Medical Center. Dr. Shan has also been leading research and education programs in the fields of transfusion safety, optimizing clinical blood transfusion practice and blood availability.

#### **CLINICAL FOCUS**

- Transfusion Medicine
- Anatomic and Clinical Pathology

#### **ACADEMIC APPOINTMENTS**

- Professor - University Medical Line, Pathology

#### **ADMINISTRATIVE APPOINTMENTS**

- Medical Director, Transfusion Medicine Service, Stanford Health Center, (2015- present)

#### **HONORS AND AWARDS**

- Teaching Award (for a senior faculty member) in Clinical Pathology, Stanford Medical School (2018)
- Faculty Teaching Award, Johns Hopkins Medical School (2013)
- Award for Transfusion Medicine Fellows, AABB (American Association of Blood Banks) (1997)
- Paul E. Strandjord Young Investigator Awards for Physicians and Scientists, Academy of Clinical Laboratory (1996)

#### **BOARDS, ADVISORY COMMITTEES, PROFESSIONAL ORGANIZATIONS**

- Faculty fellow, Center for Innovation in Global Health (Stanford) (2018 - present)
- Member, AABB Clinical Transfusion Committee (2018 - present)
- Editorial board member, "Transfusion Medicine Review" (2017 - present)
- Editorial board member, "Annals of Blood" (2017 - present)

- Editorial board member, "Transfusion" (2017 - present)
- Chair, NHLBI's REDS-III International Steering Committee (2016 - 2017)
- Member, AABB Transfusion Transmitted Disease Committee (2013 - 2017)
- Member, NHLBI's REDS-III International Steering Committee (2008 - present)
- Editorial board member, "Chinese Journal of Blood Transfusion" (2007 - present)
- Member, College of American Pathologists's Transfusion Medicine Resource Committee (2005 - 2007)
- Member, International Society of Blood Transfusion (ISBT) (2004 - present)
- Member, AABB (1994 - present)
- Member, College of American Pathologists (1994 - present)

## PROFESSIONAL EDUCATION

- Board Certification: Blood Banking/Transfusion Medicine, American Board of Pathology (2000)
- Fellowship: Hospital of Univ of Pennsylvania GME Verifications (1997) PA
- Board Certification: Clinical Pathology, American Board of Pathology (1996)
- Residency: Hospital of Univ of Pennsylvania (1996) PA
- PhD, University of Pennsylvania , Immunology (1991)
- Medical Education, Peking University School of Medicine , Medicine (1983)

## COMMUNITY AND INTERNATIONAL WORK

- NHLBI Recipient Epidemiology and Donor Evaluation Study-III (REDS-III) International program
- NIH Fogarty International Blood Safety Program

## Teaching

---

## GRADUATE AND FELLOWSHIP PROGRAM AFFILIATIONS

- Transfusion Medicine (Fellowship Program)

## Publications

---

### PUBLICATIONS

- **Current state of gene therapy in sickle cell disease.** *Vox sanguinis*
