

Brian Blackburn

Clinical Professor, Medicine - Infectious Diseases

 Curriculum Vitae available Online

CLINICAL OFFICE (PRIMARY)

- **Infectious Disease Clinic**

211 Quarry Rd Ste 202

MC 5988

Palo Alto, CA 94304

Tel (650) 736-5200 **Fax** (650) 725-6908

Bio

BIO

Dr. Brian Blackburn specializes in the treatment of infectious diseases. He has practiced for over a decade and a half in this specialty, and has a special interest in travel and tropical medicine, and in infections in patients with compromised immune systems

CLINICAL FOCUS

- Infectious Disease
- Parasitology
- Tropical Medicine
- Global health
- Travel Medicine
- Internal Medicine

ACADEMIC APPOINTMENTS

- Clinical Professor, Medicine - Infectious Diseases
- Affiliate, Stanford Woods Institute for the Environment

ADMINISTRATIVE APPOINTMENTS

- Chair, Infectious Diseases Society of America Curricular and Educational Resources Work Group, (2024- present)
- Member, American Board of Internal Medicine, Infectious Diseases Item Writing Task Force, (2024- present)
- Member, Infectious Diseases Society of America Professional Development Committee, (2023- present)
- Member, Infectious Diseases / EIS Joint Fellowship IDSA National Steering Committee, (2021- present)
- Committee Member, ACGME Infectious Diseases Milestones Development National Committee, (2018-2022)
- Committee member, Infectious Diseases Society of America Training Program Directors' Committee, (2017-2022)
- Faculty Fellow, Stanford Center for Innovation in Global Health, (2015- present)

- Fellowship Program Director, Stanford University Division of Infectious Diseases & Geographic Medicine, (2014- present)
- Director, Scholarly Concentration in Global Health, Stanford University School of Medicine, (2010- present)
- Affiliated Faculty Member, Stanford Univ. Woods Institute for the Environment, (2009- present)
- Associate Chief for Clinical Affairs, Stanford Univ Division of Infectious Diseases, (2008-2011)
- Committee member, Stanford Quality Initiative on Sepsis, (2008-2009)
- Committee member, Stanford Surgical Care Improvement Project, (2007-2007)
- Affiliated Faculty Member, Stanford Center for African Studies, (2006- present)
- Committee member, Stanford Pharmacy and Therapeutics Antibiotic Subcommittee, (2005- present)
- Committee member, Stanford Internal Medicine Residency Review Committee, (2005-2010)
- Committee member, Stanford Internal Medicine Intern Selection Committee, (2005-2009)

HONORS AND AWARDS

- Alwin C. Rambar-James B.D. Mark Award for Excellence in Patient Care, Stanford University School of Medicine (2021)
- Fellow, Infectious Diseases Society of America (2018)
- Vosti Award - Excellence in Teaching, Stanford Division of Infectious Diseases & Geographic Medicine (2013, 2012, 2010, and 2007)
- Infectious Diseases Division Teaching Award, Stanford University Department of Internal Medicine (2013, 2012, 2010, and 2007)
- Dean's Award for Excellence in Teaching, Stanford School of Medicine (2008)
- Distinguished Service to Housestaff Education, Stanford Dept of Medicine, Chief Residents (2008)
- Exceptional Preceptor Award, Ambulatory Medicine Clerkship, Stanford University Dept of Medicine (2007)
- Armstrong Award - Excellence in Patient Care, Stanford Dept of Medicine (2000)
- Chicago Medical School Alumni Association Award, Chicago Medical School (1997)
- Alpha Omega Alpha Honor Society, AOA chapter - Chicago Medical School (1995)
- American Society of Clinical Pathologist's Award, ASCP (1995)
- McGraw-Hill Academic Achievement Award, McGraw-Hill - Chicago Medical School (1994)
- Graduation with Departmental Honors, UCLA Dept. of Biology (1992)

PROFESSIONAL EDUCATION

- Board Certification: Infectious Disease, American Board of Internal Medicine (2024)
- Fellowship: Stanford University Infectious Disease Fellowships (2002) CA
- Residency: Stanford University Internal Medicine Residency (2000) CA
- Internship: Stanford University Internal Medicine Residency (1998) CA
- Medical Education: Rosalind Franklin University The Chicago Medical School (1997) IL
- Certificate of Knowledge, American Society of Tropical Medicine and Hygiene , Trop Medicine, Travelers Health (2010)
- EIS, Centers for Disease Control , Epidemiology (2005)
- Fellowship, Stanford University , Infectious Diseases (2002)
- Internship, Residency, Chief Res, Stanford University , Internal Medicine (Chief Resident 2002-03) (2000)
- Medical Education (MD), Chicago Medical School , Medicine (1997)
- BS, UCLA , Biology (1992)

COMMUNITY AND INTERNATIONAL WORK

- Clinical and programmatic work, Dhaka, Bangladesh

- Research collaboration, Nairobi and Kisumu, Kenya
- Clinical and programmatic work, Monrovia, Liberia
- Evaluating and Financing ITNs in India, Orissa State, India
- Integration of insecticide-treated bednet distribution and mass drug administration in Nigeria, Nigeria
- Schistosomiasis, strongyloidiasis: presumptive treatment among Sudanese Lost Boys and Somali Bantus, Sudan, Kenya, Phoenix

Research & Scholarship

CURRENT RESEARCH AND SCHOLARLY INTERESTS

My interests include parasitology and global health; I've investigated cryptosporidium and angiostrongylus outbreaks; schistosoma/strongyloides seroprevalence in refugees, and the distribution and impact of ITNs for malaria and filariasis prevention in Nigeria and India. I have done clinical and programmatic work at teaching hospitals in Liberia and Bangladesh and have opportunities for research in Bangladesh and Kenya, in collaboration with ICDDR,B and CDC, Kenya

Teaching

GRADUATE AND FELLOWSHIP PROGRAM AFFILIATIONS

- Infectious Diseases (Fellowship Program)
- Medicine (Masters Program)

PRESENTATIONS

- Chagas Disease: Atypical Manifestations in Immunocompromised Hosts - Implications for Diagnosis, Screening, and Treatment - Mayo Clinic Division of Infectious Diseases Global Health Seminar Series (2/23/2021 - 2/23/2021)
- Chagas Disease - Allegheny General Hospital (affiliate of Drexel University College of Medicine) (5/20/2021 - May 20, 2021)
- Infectious Diseases Milestones: Draft Completion and Solicitation of Public Comment - National Program Director's meeting / Infectious Diseases Society of America (IDSA) National Meeting (10/1/2020 - 10/1/2020)
- Native Valve Infective Endocarditis: Antimicrobial Therapy in 2019 - American Heart Association Scientific Sessions National Meeting (11/1/2019 - 11/1/2019)
- Development of Infectious Diseases Milestones: Update - National Program Director's meeting / Infectious Diseases Society of America (IDSA) national meeting (10/1/2019 - 10/1/2019)
- Successful integration of insecticide-treated bednet distribution and mass drug administration in Central Nigeria - Poster presentation at American Society of Tropical Medicine and Hygiene meeting (12/1/2005 - December 1, 2005)
- Schistosomiasis, strongyloidiasis, and presumptive treatment among Sudanese Lost Boys and Somali Bantu refugees - Poster presentation at IDSA meeting
- Outbreak of Cryptosporidiosis Associated with Consumption of Ozonated Apple Cider — Ohio 2003 - Poster presentation at Infections Diseases Society of America (IDSA) meeting
- Infections of the Tropics: Current Diagnostic & Therapeutic Issues - Keynote Speaker at 30th Annual Northern California American Society of Microbiology regional meeting
- Infectious Diseases in Overseas Settings - American College of Surgeons national meeting (97th Annual Clinical Congress)
- Parasitic Infections in Returning Travelers - Invited oral presentation, American College Health Association national meeting
- Enteric Parasitology - Invited oral presentation at 25th Annual Northern California American Society of Microbiology regional meeting
- Neglected Parasitic Diseases - Invited oral presentation at 34th Annual Winter Course for Infectious Diseases,
- ITNs: Integration in disease control and elimination campaigns - Invited oral presentation at 4th Annual Unite for Sight International Conference
