Xingxing Shelley Cheng

Assistant Professor of Medicine (Nephrology) and, by courtesy, of Surgery (Abdominal Transplantation) and of Health Policy

Medicine - Nephrology

CLINICAL OFFICE (PRIMARY)

- **Surgical Specialties Clinic**

300 Pasteur Dr A160

Stanford, CA 94305

Tel (650) 736-7102 **Fax** (650) 723-8305

Bio

BIO

Dr. Xingxing Cheng is a practising transplant nephrologist and a clinical investigator with an expertise in decision science. Her clinical practice includes kidney transplant readiness, kidney transplant aftercare, and multi-organ transplantation.

Her overarching research goal is to make better decisions based on the existing technology and state of knowledge. Her current research is in the following areas:

- 1) the costs, effectiveness, and implementation of work-up before kidney transplantation, including pretransplant cardiovascular screening;
- 2) ethics of and decision-making in in multi-organ transplantation.

CLINICAL FOCUS

- Nephrology
- Transplant nephrology
- Kidney failure in the setting of advanced liver disease

ACADEMIC APPOINTMENTS

- Assistant Professor - University Medical Line, Medicine - Nephrology
- Assistant Professor - University Medical Line (By courtesy), Surgery - Abdominal Transplantation
- Assistant Professor - University Medical Line (By courtesy), Health Policy
- Member, Cardiovascular Institute

HONORS AND AWARDS

- Young Innovator Award, American Society of Transplantation (2016, 2020)
- Young Investigator Forum 2nd Place in Clinical Sciences, National Kidney Foundation (2017)
- Career Development Award, American Heart Association (2019-2022)
- K23 Mentored Patient-Oriented Research Career Development Award, National Institute of Health - National Institute of Diabetes and Digestive and Kidney Diseases (2020-2025)

PROFESSIONAL EDUCATION

- Fellowship: Stanford University Transplant Nephrology Fellowship (2018) CA
- Fellowship: Stanford University Nephrology Fellowship (2017) CA
- BS, University of British Columbia , Pharmacology & Therapeutics (2007)
- BA, University of British Columbia , English (2007)
- Medical Education: Washington University School Of Medicine Registrar (2011) MO
- MS, Stanford University , Health Services Research (2017)
- Residency: Massachusetts General Hospital Internal Medicine Residency (2014) MA
- Board Certification: Internal Medicine, American Board of Internal Medicine (2014)
- Board Certification: Nephrology, American Board of Internal Medicine (2016)

Research & Scholarship

CURRENT RESEARCH AND SCHOLARLY INTERESTS

Dr. Xingxing Cheng's expertise is in applying the tools of decision science to clinical practice and policy analysis. Her current research is in the following areas:
1) the costs, effectiveness, and implementation of work-up before kidney transplantation, including pretransplant cardiovascular screening;
2) ethics of and decision-making in multi-organ transplantation.

Teaching

GRADUATE AND FELLOWSHIP PROGRAM AFFILIATIONS

- Health Services Research (Masters Program)
- Nephrology (Fellowship Program)
