

Stanford

Gina Bouchard

- Postdoctoral Research Fellow, Biomedical Data Sciences
- Postdoctoral Research Fellow, Radiology

Bio

PROFESSIONAL EDUCATION

- Doctor of Philosophy, Universite De Sherbrooke (2016)
- Bachelor of Science, Universite De Sherbrooke (2010)

STANFORD ADVISORS

- Sylvia Plevritis, Postdoctoral Faculty Sponsor

Publications

PUBLICATIONS

- **A human lung tumor microenvironment interactome identifies clinically relevant cell-type cross-talk.** *Genome biology*
Gentles, A. J., Hui, A. B., Feng, W., Azizi, A., Nair, R. V., Bouchard, G., Knowles, D. A., Yu, A., Jeong, Y., Bejnood, A., Forgó, E., Varma, S., Xu, et al
2020; 21 (1): 107
- **Sparse discriminative latent characteristics for predicting cancer drug sensitivity from genomic features.** *PLoS computational biology*
Knowles, D. A., Bouchard, G., Plevritis, S.
2019; 15 (5): e1006743
- **GFPT2-expressing cancer-associated fibroblasts mediate metabolic reprogramming in human lung adenocarcinoma.** *Cancer research*
Zhang, W., Bouchard, G., Yu, A., Shafiq, M., Jamali, M., Shrager, J. B., Ayers, K., Bakr, S., Gentles, A. J., Diehn, M., Quon, A., West, R. B., Nair, et al
