

Stanford

David J. Wong, MD, PhD

Clinical Associate Professor, Dermatology

CLINICAL OFFICE (PRIMARY)

- **Medical Dermatology**
- 450 Broadway St
- Pavillion B FL 4 MC 5338
- Redwood City, CA 94063
- Tel** (650) 723-6316 **Fax** (650) 721-3476

ACADEMIC CONTACT INFORMATION

- **Administrative Contact**
- Averley Mayo - Administrative Assistant
- Email** amayo@stanford.edu

Bio

BIO

David Wong, M.D., Ph.D., is a Clinical Associate Professor of Dermatology and the CEO of Direct Dermatology, Inc. He attended medical school at University of Washington School of Medicine and completed his residency at Stanford University. He also received his PhD in Molecular Genetics at the University of Washington and Fred Hutchinson Cancer Research Center. His clinical interests include skin cancer, teledermatology, and care innovation for underserved communities.

CLINICAL FOCUS

- Skin Cancer
- Teledermatology
- Dermatology

ACADEMIC APPOINTMENTS

- Clinical Associate Professor, Dermatology

HONORS AND AWARDS

- Research Fellowship, Dermatology Foundation (2005-2006)
- Research Career Development Award, Dermatology Foundation (2006-2009)
- Young Investigator Award, American Academy of Dermatology (2008)
- K08 Clinical Scientist Development Award, NIH (2009-2010)

PROFESSIONAL EDUCATION

- Internship: Santa Clara Valley Medical Center (2003) CA
- Board Certification: Dermatology, American Board of Dermatology (2006)
- Residency: Stanford University Medical Center (2006) CA
- Medical Education: University of Washington School of Medicine (2002) WA
- M.D., University of Washington (2002)

- Ph.D., Fred Hutchinson Cancer Center , Molecular and Cellular Biology (2000)
- B.S., Brown University , Biochemistry (1994)
- Residency, Stanford University , Dermatology (2006)

Research & Scholarship

CURRENT RESEARCH AND SCHOLARLY INTERESTS

My research interest is focused on investigating the molecular networks that underlie cancer stem cells and designing therapies that selectively target these cells, thereby eliminating a cancer's potential for regrowth.

Teaching

GRADUATE AND FELLOWSHIP PROGRAM AFFILIATIONS

- Dermatology (Fellowship Program)

Publications

PUBLICATIONS

- Extensive and coordinated transcription of noncoding RNAs within cell-cycle promoters *NATURE GENETICS*
Hung, T., Wang, Y., Lin, M. F., Koegel, A. K., Kotake, Y., Grant, G. D., Horlings, H. M., Shah, N., Umbrecht, C., Wang, P., Wang, Y., Kong, B., Langerod, et al 2011; 43 (7): 621-U196
