#### BIO

Anil K. Panigrahi, M.D., Ph.D. is a Clinical Associate Professor in the Departments of Anesthesiology and Pathology (by courtesy) at Stanford University. Board-certified in Anesthesiology and Transfusion Medicine, Dr. Panigrahi works clinically in both specialties.

Dr. Panigrahi currently leads Patient Blood Management initiatives throughout Stanford Medicine and serves as Stanford Anesthesiology Director of Patient Blood Management, Co-Chair of the Stanford Health Care Transfusion Committee, Medical Director of Stanford Anesthesiology's Perioperative Anemia Management Clinic, and an Assistant Medical Director of the Stanford Health Care Transfusion Service.

Dr. Panigrahi is a contributor to leading academic textbooks of Anesthesiology and Transfusion Medicine, including Miller's Anesthesia and the Association for the Advancement of Blood & Biotherapies (AABB) Technical Manual. He regularly lectures at national conferences and has presented at annual meetings for the American Society of Anesthesiologists (ASA), AABB, and the Society for the Advancement of Patient Blood Management (SABM). He is an active member of the ASA, serving on the ASA's Committee on Patient Blood Management since 2018, and is also a member of the AABB, SABM, and the California Society of Anesthesiologists (CSA), where he has served as a District Delegate.

Dr. Panigrahi is a Phi Beta Kappa graduate of Duke University and received his M.D. and Ph.D. degrees from the University of Pennsylvania School of Medicine, where he was awarded the John G. Clark Prize for meritorious research. He completed residency training in Anesthesiology at Stanford University and completed fellowship in Blood Banking/Transfusion Medicine in the Department of Pathology also at Stanford.

### CLINICAL FOCUS

- Anesthesia
- Transfusion Medicine

### ACADEMIC APPOINTMENTS

- Clinical Associate Professor, Anesthesiology, Perioperative and Pain Medicine

- Clinical Associate Professor (By courtesy), Pathology

## ADMINISTRATIVE APPOINTMENTS

- Director, Stanford Anesthesiology Patient Blood Management, (2023- present)
- Co-Chair, Stanford Health Care Transfusion Committee, (2022- present)
- Medical Director, Stanford Anesthesiology Perioperative Anemia Management Clinic, (2018- present)

## BOARDS, ADVISORY COMMITTEES, PROFESSIONAL ORGANIZATIONS

- Member, Clinical Transfusion Medicine Committee, Association for the Advancement of Blood & Biotherapies (2023 - present)
- Member, Perioperative Standards Committee, Perioperative Standards Committee (2023 - present)
- Delegate, District 3, California Society of Anesthesiologists (2021 - 2024)
- ASA Representative, Perioperative Standards Committee, Association for the Advancement of Blood & Biotherapies (2021 - 2022)
- Member, Committee on Patient Blood Management, American Society of Anesthesiologists (2018 - present)

## PROFESSIONAL EDUCATION

- Medical Education: University of Pennsylvania School of Medicine (2011) PA
- Board Certification: Blood Banking/Transfusion Medicine, American Board of Pathology (2017)
- Board Certification: Anesthesia, American Board of Anesthesiology (2017)
- Fellowship, Stanford University Medical Center, CA , Transfusion Medicine (2016)
- Residency, Stanford University Medical Center, CA , Anesthesiology (2015)
- Internship, University of Pennsylvania Health System , PA (2012)
- MD, University of Pennsylvania School of Medicine , PA (2011)
- PhD, University of Pennsylvania School of Medicine , PA (2009)

## PATENTS

- Anil K. Panigrahi, Eline T. Luning Prak. "United States Patent 9,115,399 Recombination Sequence (RS) Rearrangement Frequency as a Measure of Central B cell Tolerance"

## Research & Scholarship

---

### CLINICAL TRIALS

- Study to Evaluate the Efficacy & Safety of the INTERCEPT Blood System for RBCs in Complex Cardiac Surgery Patients, Recruiting

## Publications
