## Dante Orta Aleman

Ph.D. Student in Energy Resources Engineering

### **Bio**

---

#### **BIO**

Dante received his B.S in Engineering Physics from Tecnológico de Monterrey. He has worked on the development of data-driven products for decision making in financial institutions and the real estate industry. He is currently pursuing his master's degree in Energy Resources Engineering, focusing on the application of machine-learning methodologies in the energy industry.

### **Research & Scholarship**

---

#### **CURRENT RESEARCH AND SCHOLARLY INTERESTS**

His current research focuses in the use of machine-learning models for automatic interpretation of temperature profiles in Oil & Gas wells.
