Bio

BIO

Meghan Dickman, M.D., is Clinical Associate Professor of Dermatology and Medical Director of Dermatology at Stanford ValleyCare. Dr. Dickman earned her B.S., with distinction, from the University of Michigan in 2006. She received her medical degree from the University of California, San Francisco. During medical school, Dr. Dickman was inducted into the Alpha Omega Alpha Honor Medical Society. She completed her dermatology residency at Stanford University and served as Chief Resident in her final year. She is board certified in dermatology by the American Board of Dermatology. Her professional focus is general medical dermatology, including acne, psoriasis, skin cancer, and dermatologic surgery.

Dr. Dickman also serves as the Medical Director of Dermatology for Stanford HealthCare-Valley Care and the Director of the East Bay Clinical Network for Stanford Dermatology, leading the department of dermatology's program building efforts and clinical operations in the East Bay region of the San Francisco Bay Area.
