

Stanford

Alex Sox-Harris

Professor (Research) of Surgery (Surgery Policy Improvement Research and Education Center)

 Curriculum Vitae available Online

Bio

BIO

Alex Sox-Harris is a leader in several domains of health services research, including quality measurement, pragmatic rigorous evaluation, predictive modeling, and improvement science (implementation and de-implementation). As a VA Research Career Scientist and Professor in the Stanford Department of Surgery, he has published over 250 scientific papers, has over 15 years of continuous federal research funding, and has received numerous national awards for the innovation and impact of his research. In addition to his own work, Dr. Sox-Harris mentors and supports surgeons to produce publishable research and secure research funding.

ACADEMIC APPOINTMENTS

- Professor (Research), Surgery

HONORS AND AWARDS

- Presidential Early Career Award in Science and Engineering (PECASE), The National Science and Technology Council (NSTC) (2008)
- Health System Impact Award, Department of Veterans Affairs, Health Services Research and Development (2014)

PROFESSIONAL EDUCATION

- Post-Doctoral Fellow, Department of Veterans Affairs , Health Services Research (2004)
- MS, Stanford University , Statistics (2001)
- PhD, Stanford University , Counseling Psychology (2003)

Research & Scholarship

CURRENT RESEARCH AND SCHOLARLY INTERESTS

Quality Measurement, Predictive Modeling, Implementation Science,

Teaching

STANFORD ADVISEES

Postdoctoral Faculty Sponsor

Kenneth Nieser
