Bio

BIO

Dr. Valerie Teng is a board certified family physician with special interests in preventative medicine and women's health. Her experiences in caring for patients with chronic conditions, such as diabetes and hypertension, have fueled her desire to partner with patients to enter healthier lifestyles. She is also passionate about providing comprehensive care to patients of all ages, including newborns and teens.

During her residency training, Dr. Teng explored many opportunities in medical education through the O'Connor-Stanford Leaders in Education Residency (OSLER) program. She is delighted to continue in medical education as a part of the faculty at Stanford Family Medicine.
